

Citizen science facilitator

job opening no. 2/2024

Join ECSA and contribute to advancing science in a democratic and inclusive manner. Work within a collegial, committed, and international team at a non-profit organization.

ECSA Mission: To empower science and civil society by fostering citizen participation. We establish infrastructures, facilitate knowledge exchange, and engage in projects that leverage or benefit from citizen science. Through capacity-building activities and research, ECSA champions the citizen science movement across Europe.

Role Overview: Citizen science facilitator

Employment Details:

- **Working Hours/Salary:** 80% full-time equivalent; compensation according to TV-L10, Land of Berlin collective agreement.
- **Duration:** April 2024 - January 31, 2026, with potential for extension.
- **Location:** ECSA Headquarters, Museum für Naturkunde Berlin, with remote work options.

Responsibilities:

- Develop engagement roadmaps and strategies for multi-stakeholder participation.
- Facilitate citizen involvement in scientific experiments and maintain active participation channels.
- Formulate methodologies for participatory science and citizen science projects.
- Organize workshops, webinars, and citizen science activities.
- Engage in research, academic writing, and the creation of citizen science guidelines.
- Support ECSA's community, organizational tasks, and funding proposals.
- Enhance ECSA's accessibility, visibility, and inclusivity.

Requirements:

- Bachelor's or Master's in social sciences, communication studies, or related experience.
- Proven involvement with citizen science and community engagement.
- Knowledge of stakeholder engagement strategies and familiarity with the citizen science landscape.
- Excellent organizational and communication skills; adept in policy work.
- Competency in German and English; additional European languages are a plus.
- Willingness to travel internationally and proficiency in IT systems.
- Strong initiative and ability to work both independently and as part of a team.

ECSA Offers:

- An international work environment with flexible hours and remote work options.
- A supportive and dynamic team offering a varied and impactful role.

Diversity Statement: We encourage applications from individuals of all backgrounds, ages, ethnicities, genders, languages, religions, disabilities, and sexual orientations.

Application Process: Please submit a CV and a cover letter detailing your motivation and suitability for the role, addressing the requirements specified above. Include certificates and work references in a single PDF file by 17.03.2024 quoting job advertisement number. Send your application to job@ecsa.ngo.
